

Get Real

national student conferences

Frequently Asked Questions

What's The Cost?

Our registration fee is \$99 per person. This is AMAZING for a conference of this quality. This includes admission to all sessions on both days, plus a full-color workbook and a digital music/video Download Card.

How Do We Pay For It?

Most schools bundle the \$99 registration fee into their regular tuition or student activity fees for the upcoming school year. This allows you to collect fees in advance and eliminate having to ask parents for more money after the fact.

Your deposit of \$20 per student and teacher should be based upon projected enrollment and is due as soon as possible. This reserves your place at the conference, as seating is limited. The balance, due 30 days prior to the conference, will be adjusted to reflect your actual number of attendees.

Who Do We Bring To The Conference?

Since this is a SPIRITUAL EMPHASIS conference, we ask that you bring your entire middle school and high school student body, plus teachers, faculty, and staff. Most schools have a Spiritual Emphasis Week with one chapel each day for five days. *The Get Real Student Conference* has four general sessions, along with six breakout sessions. So, in a two day event, your students and teachers will get more than if you had a typical Spiritual Emphasis "Week."

Because of the magnitude of this

Christian School conference, we only bring it to selected cities every few years. This is why we ask you to bring all of your middle school and high school students. If not, some of your students will never have the opportunity to participate in this special event.

How Long Is The Conference?

The conference covers two (2) days, lasting from 9:00 AM to 2:30 PM. There are two (2) huge General Sessions and six (6) unique Breakout Sessions each day. There is a Breakout Session for middle school students, another for high school students, and a third for teachers/faculty.

Additionally, we offer sessions specifically designed for student worship leaders, coaches, and financial planning. Please refer to the sample schedule for more details.

How Do We Get To The Conference?

Transportation is the responsibility of each individual school. Most schools utilize buses or vans, although smaller schools may carpool. This is totally left to the discretion of the participating schools.

Our conference locations are easily accessible from major roads and highways. In addition, the conference ends at 2:30 PM. These factors often allow nearby schools to return students and staff to their own school with minimal impact on bus and parent pick-up schedules.

Since this is a special event, some schools rent buses for the occasion.

Others have borrowed buses and drivers from local churches or neighboring schools. While we recognize the logistical challenges, IT IS WORTH IT!

Is Lodging Available?

We routinely invite all schools within a 50-mile radius of the venue. However, some schools travel considerably farther and may require overnight accommodations. If you require lodging and would like a list of hotels close to the conference, please contact us at 1-800-356-4963. We would be more than happy to provide you with a list of local hotels.

We hope you won't miss a moment of the conference. Therefore, if you need to leave earlier than 2:30 PM each day, we encourage you to consider staying overnight.

Is Lunch Provided?

An optional box lunch is provided for an additional fee per person. These must be purchased no later than one month prior to the event. Meal tickets will be mailed to each school no later than two weeks from the date of the conference. You may also opt to eat at local fast food establishments or bring a "sack lunch."

Can't We Just Come To The Next Conference?

The *Get Real Student Conference* only comes to selected cities every few years. We're excited about how God is using it to challenge and propel students towards a more authentic and vibrant walk with Christ. By the time we are back in your city, your current students may have already graduated — thus, missing out on an event with the potential of changing their lives forever!
