**WHAT WE OFFER FOR
CHRISTIAN SCHOOLS**

Dear Friend in Christian Education,

My name is Scott Davis, and I'm grateful you're taking a moment to learn more about Get Real Conferences.

I'm a Christian school graduate, and for years, I knew how to say all the right things around the right people. I understood the culture and the language of faith, but I didn't truly know the Lord. That realization changed my life and became the motivation to start Get Real Conferences.

Get Real exists to come alongside Christian schools and families, helping students, parents, and educators move from knowing about faith to living it out, anchored in biblical truth in a rapidly changing culture. We believe Christian schools are on the front lines of discipleship, and our role is to support—not replace—the incredible work you are already doing.

Through One Real Day Middle/High Spiritual Emphasis Days, Amazing Adventure Elementary Days, Parent Seminars, and Professional Development Days, we provide biblically faithful, age-appropriate, engaging experiences that connect God's truth to real life. **Our heart is simple: to create meaningful moments where faith becomes personal, clear, and lasting.**

Thank you for your faithful investment in the next generation. It would be an honor to serve your school.

With gratitude,

Scott Davis

Dear School Leaders,

I've known Billy Lord and Scott Davis for over twenty years. We attended church together during the majority of those years. I know their hearts and passion for pouring biblical truths into the lives of students.

On two occasions, while I was on staff at Eagle's Landing Christian Academy, I was able to watch them in action as they held their larger, multi-school Get Real Conference on our campus. Hundreds of students from surrounding schools joined us on our campus for this event. Many trusted Christ as their Savior and made other commitments to Him.

This is not a "flash-in-the-pan" ministry. They've been around for over 30 years, pouring into students. During that time, they've never wavered from proclaiming the Bible boldly yet with compassion and grace.

They also bring a lot of excitement. Combining Scott's humor with Billy's musical worship style, students are more easily ready to hear the Word of God.

In this battle we are waging for the hearts and minds of students, we need more ministries like this one who are ready to help prepare your students, as the Apostle Peter says in 1 Peter 3:15

"... always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect,"

If you are looking for an excellent student event, connect with Billy and Scott and learn more about this ministry.

Thanks for your consideration!

ONE REAL DAY

SPIRITUAL EMPHASIS CONFERENCES

THREE THEMES FROM WHICH TO CHOOSE

Get Real Middle & High School Spiritual Emphasis Conferences—**TRANSFORMED**, **FOCUS**, and **STAND**

These three different conferences are designed to meet middle and/or high school students where they are and challenge them to take their next real step of faith. Each conference is a full-day, biblically grounded experience that combines engaging teaching, worship, humor, and clear gospel presentation.

TRANSFORMED centers on the life-changing power of the gospel and new life in Christ. **FOCUS** calls students to fix their hearts and minds on Christ in a culture full of distractions. **STAND** challenges students to live boldly and unashamed for their faith. While each conference carries a unique theme, all three share the same heartbeat: helping students move beyond religious familiarity to a personal, authentic relationship with Jesus Christ.
