WHAT IS IT

SEMINAR / BOOK TOUR

The Anchored Home is Scott Davis' newest book for parents, calling families to reclaim their God-given role as spiritual leaders in the home. In this 2-hour seminar, Scott unpacks six anchors for building a Christ-centered family:

- **Anchored in Purpose**
- **Guarding the Mind**
- **Surrender is Strength**
- **Leading with Joy**
- **Embrace Your Ministry**
- **Testify—Share What God Has Done**

Churches and schools are partners, but parents are called to be the primary teachers of biblical truth.

WHAT TO EXPECT

Families will leave with:

- **A clear vision of the parent's role as spiritual leader.**
- **Practical tools for teaching God's Word at home.**
- **Encouragement for all families—single, blended, or grandparents raising kids.**
- **Simple ways to weave faith into daily life.**
- **Hope that you don't have to be perfect—just faithful.**

HOST A 2-HOUR PARENT SEMINAR AT YOUR CHURCH

This is a **FREE** two-hour event for your church—with **no seminar fees to the church at all**. The only expenses the hosting church is asked to cover are travel, hotel, and meals for Scott Davis.

We ask two things in return:

1. **Promotion** – Please heavily promote the event to your congregation and community.
2. **Attendance** – A minimum of 13 couples (or 26 individuals) must register at \$20 per couple (or per single attendee). If that minimum isn't met, we unfortunately cannot offer the seminar.

☛ If more register, even better! There is no cap on attendance beyond what your facility can hold. **All registration proceeds go directly to Get Real Conferences.**

What's Included:

- **Promotional Artwork & Tickets** provided by Get Real Conferences
- **A FREE copy of Scott's new book**, *The Anchored Home: A Biblical Call for Parents to Stay Rooted & Resilient* (one copy per couple or single attendee)
- Your church's worship team can provide the opening and closing music to make the event feel personal and connected to your church family
- **Full Resource Center**: Scott will bring a display of additional resources for families—including Bibles, devotionals, apologetics books, and more—for attendees to browse and purchase

Hosting Tips:

- Consider offering snacks, finger foods, or desserts to make the evening extra inviting.
- We highly recommend providing childcare to make it easier for young parents to attend.

This is a powerful, practical event to help parents, grandparents, and guardians rediscover their God-given calling to be the spiritual leaders of their homes—don't miss the opportunity to bring it to your church!
